If you would like to continue seeing the spiritual companion you had last year, write his/her name here - \_\_\_\_\_. Please check to see if the companion you had is listed on the bottom of the reverse side, or is one of the persons named in the text of the letter. (Those three people are only able to see the students they were seeing last year.) If the companion you were seeing is not named anywhere on the reverse side, it does not mean you will never speak to that person again. You will still have a relationship; it just may not involve a weekly meeting.

If you want to request a spiritual companion, make three choices below:
